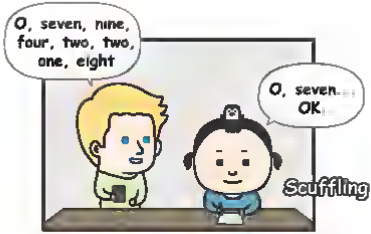
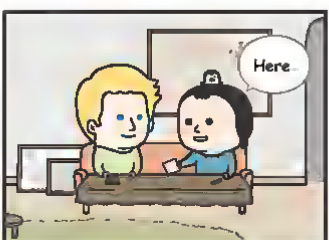
Your Hobit

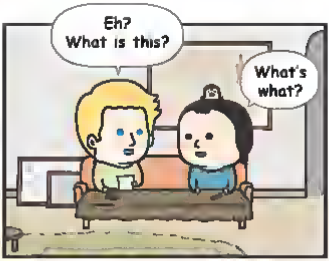
Do you have paper?
OK, here we go.
Okay~



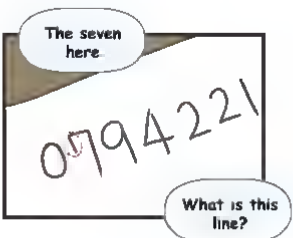
O, seven, nine, four, two, two, one, eight
O, seven... OK
Scuffling



Here



Eh?
What is this?
What's
what?



The seven
here

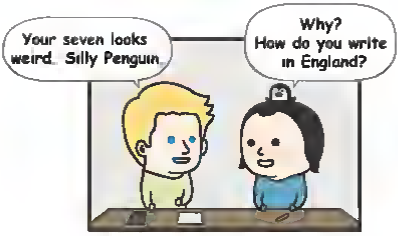
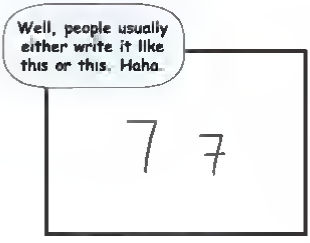
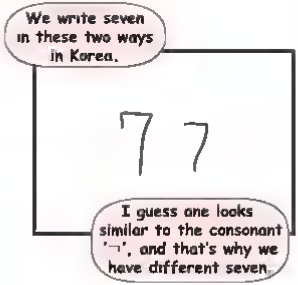
What is this
line?



Your seven looks weird. Silly Penguin.
Why? How do you write in England?

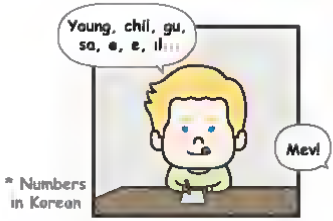


Well, people usually either write it like this or this. Haha.
7 7

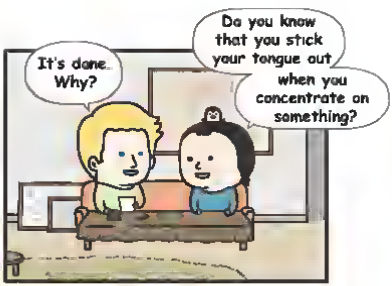


We write seven in these two ways in Korea.
7 7
I guess one looks similar to the consonant 'ㄱ', and that's why we have different seven.

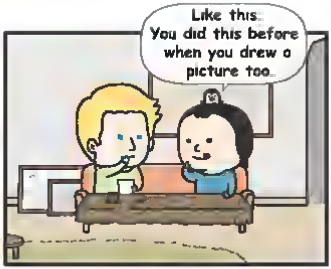
We sometimes find very small differences between us



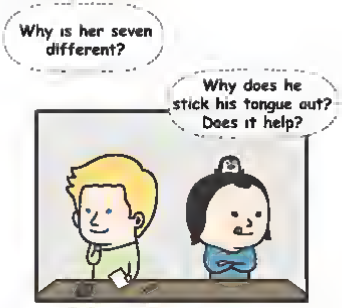
Young, chil, gu, sa, e, e, il...
Mev!
* Numbers in Korean



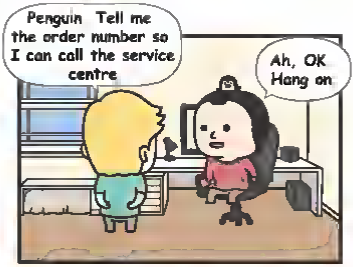
It's done. Why?
Do you know that you stick your tongue out when you concentrate on something?



Or we find some small habits.



Once we find this,...

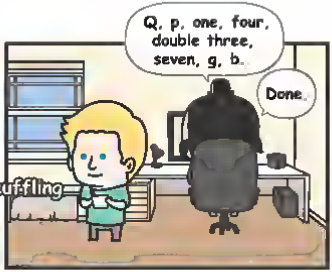


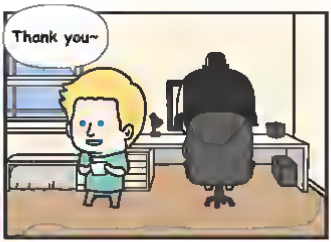
Penguin Tell me the order number so I can call the service centre
Ah, OK Hang on

Where is the number?
Number .

Umm...

Ah, I've got it!
Ready?
Yeah~





Bye~
